Keepin It Real Light House Ministries,

Thanks for the generous donations of the variety of breads and deserts. We feed hundreds of men every month at 477 Peachtree Street. We feed hundreds of women and children at 236 Peachtree St. S.W. and many elderly people at the High Rise in Decatur, Ga. Our goal is 2400 meals per month. With your generous donations we are able to feed those who would otherwise go without.

Thanks again,

Dear Keepin' It Real,

On behalf of the officers, members and the missionary society of the West Side Community Christian Methodist Episcopal Church, I greet you in the name of Jesus Christ and would like to offer a word of thanks for your support and help.

As you know, the West Side Community Church, through the leadership of Mrs. Pearl Mack, Missionary President, has embarked upon a church wide, community mission called the Beyond the Walls Food Pantry. This ministry is designed to assist families in South West Atlanta, more particularly, the Martin Luther King Jr., Drive – Hamilton Holmes corridor, who are in need of assistance with food/grocery to feed their families. Through your help and more particularly your donations of breads and pastries, we have been able to assist a larger amount of homeless, indigent and needy families in the community. In fact, I am thankful to say that through your donations we have been able to expand our ministries and have been able to provide assistance to several non-profit organizations committed to providing care for underprivileged. Those organizations include the Cascade House, serving infant, children, and battered women, the Butler Street Church Food Pantry, dedicated to feeding the homeless in downtown metropolitan Atlanta area and finally the Shelter located on Highway 29.

Without a doubt, through your contribution and support, we are meeting the needs of the community and are hoping to expand our reach even further. As we continue in our ministry, we hope and trust that yours will grow, as we all remain united in the cause of assisting the underserved, helping the marginalized and being a beckon of hope for the disadvantaged. I pray we can continue this wonderful relationship and ministry.

With sincere thanks and appreciation,

Reginald G. Barnes, Sr.

Greetings Bishop and Lady Mackey,

Let me thank you for all your wonderful services that you all have rendered at Sylvan Hills Middle School; from making sure that we have pastries to your uplifting spirit, knowingly, and unknowingly. As well, as for your prayers. Sylvan is better because of your generosity, and your willingness to go above, and beyond the call of duty. As is recorded in Romans 13:7, "We are to give honor to whom honor is due." Therefore, we honor you, and thank God for each of you. May God forever bless your humble hearts, and sweet spirit.

Sincerely,
W. Scott
