Alpharetta, Georgia 30004

Dear Pastor Mackie:

"Oh taste and see that the Lord is good: blessed is the man who trusteth in him." Psalm 34:8

This scripture has come alive to me this day, for through your sacrifices and giving of your time, energy and these food products, and other vital goods, I can literally taste as well as see the goodness of the Lord through the works of His faithful leaders!

We at El-Shaddai Christian Ministries Church are ever so grateful to you, First Lady Mackie and the entire Keeping It Real Lighthouse congregation "extra mile" is a six hour journey! We do not take your generosity lightly. The West Jackson community that we are serving is very depressed, with high unemployment, and low church attendance. We have been praying for something to give to this community, to use as a carrot in an effort to offer them Jesus. The donation from your ministry is just what we have been praying for! God bless you man and woman of God, and God bless all of the people in your church and on staff that helped to make our dream a reality. I've seen myself giving to the community in a vision, over and over again, but I never thought

in a million years that God would touch the hearts of a people all the way in Alpharetta, Georgia, to help us help our community. This is truly a divine connection.

We thank you so much for this precious donation, and we love you with the love of Jesus. I believe that we will be able to help one another to reach God's people, whom He loves, for such a time as this. God's heartbeat is for souls, and we thank you again for this awesome donation of bread, cakes, pies, clothing, pots, pans and just everything!

God bless you, God bless you, and God bless you for "Keepin It Real."

Yours in Christ Jesus,

Gail B. Williams
