To Whom It Concerns:

God Vision II is an out reach program dedicated to the well being, and welfare of those less fortunate. We have a feeding program in place in Port Gibson Ms, and is managed by Mrs Twyla Graise, located at Joel's Fellowship Hall on highway 61 north, under the supervision of her pastor.

We seek out families that are living under the median income of the state, those that are on Limited Entitlement Program Assistance. Our target families are of all race creed, and color. The help we get goes directly to the families, and no one else. We have elderly family members, single parents, disabled spouses, and children.

We are registered with the IRS, and are not looking for self gain out of any donations given to us. We are well structured in the communities we serve, and look for any and every way to help people in need.

Last year we feed eight families with donations given. These families were given a complete turkey dinner with everything needed to prepare the meal. Go to our website at : www.buddyjay.webs.com, and view the activities we are involved with.

Please feel free to call our Administrator at 601-810-2368 for any additional information. Thank you and god bless you for blessing others.

Respectfully

Camille Barnes

Dear Bishop:

Thank you for all the donations you have given us. There is no way that I can repay you for your kindness. The one thought I always remembered when your deliveries are made is this.

"Kindness is never wasted. If it has no effect on the recipient, at least it benefits the bestower."

Thank you,
D. Jones.

A Place of Hope

Dear Friends and Faithful Supporters of the the Atlanta Day Shelter for Women and Children,

The Board of Directors of the Atlanta Day Shelter for Women and Children announce with a heavy heart that Rev. Leslee Samuelson will be leaving her position as Executive Director due to her desire to spend time caring for her ill mother in Greenville, South Carolina.

The Board and staff are most grateful for Rev. Samuelson's love of our organization and commitment to serving homeless women and children. She has spent a considerable amount of time collaborating with donors, volunteers, supporters, and with many Metro Atlanta agencies that also service the homeless; the Shelter is fully committed to continuing our mission and building upon these partnerships.

Our professional and dedicated staff will be led by:

The Board of Directors and the Atlanta Day Shelter staff gratefully appreciate all of your support. Our Shelter is a very special place for not only the women and children we serve every day, but also the many members of the community who volunteer and give of their time, talents, and finances to support our mission.

Please do not hesitate to contact either of us for more information regarding this change or Shirley and Ginny regarding any Shelter needs.

The one Sunday I decided to visit
you and worship on this Anniversary of 9/11 —
you are not here. Wussup with that?!! ☹

I clearly recall receiving an email
indicating 6 o'clock as the new service time.

Nonetheless, hope all is well with you and
the children... And Auntie and children, too ☹

God bless & I'll see you again sometime before

I leave Atlanta next month.

Sincerely,
