To Whom It May Concern:

My family has been blessed by **Keepin' It Real Lighthouse** donations of bread and sweet treats that are delivered to the school. We both work for Fulton County Schools, but there are times at the end of the month when money is a little low. Sometimes grabbing a loaf of bread means the difference in providing a sandwich for my child's lunch or not. Then there are times that we can even give her a little something sweet as dessert with dinner. I never thought that I could work full time and still struggle, but having the breads available truly helps.

Truly grateful,

FCS Employee

Keeping It Real Ministries

Dear Bishop and Lady Mackey,

On behalf of Communities in School of Atlanta and the students and staff at Sylvan Hills Middle School I would like to thank Keeping It Real Lighthouse Ministries for donating baked goods and snacks to our school. The donations are used during my Star Student programs. Star student programs recognize students and parents with perfect attendance, good citizenship and most improved grades.

Communities in Schools of Atlanta at Sylvan Hills Middle School is a valuable program that is providing opportunities for students to develop into productive citizens. We applaud Keeping It Real Lighthouse Ministries support of youth and the Atlanta community.

Many thanks,

I would like to share my  blessings with you and thank  
 you for giving us cup cakes, cakes, donuts,  
 muffins, and pies. Bless your  
 heart & by the way thank you.

Dear, Delivery Man

Your job and presence to us is very important to us. Your job is important to us because of all the food and sweets you bring to satisfy your customers. I don't know how you feel about driving every where to deliver all the food without anyone ever offering to help with all of that stuff. I believe that your love for helping people is going to change the world.

Sincerely,

Patricia C. ~~1011~~

Dear Bishop Mackie and Keeping It Real,

While this thank you is long overdue, it is still deeply, deeply heartfelt.

I am grateful to your organization for your compassion, and generosity. The bountiful supply of bakery products really comes in handy for preparing various lunches and snacks. I really enjoy the multigrain assortment.

You have such an exemplary and kind heart, and I cannot thank you enough for all you do to help during this economically challenging time.

Most sincerely,
